

Smith Station 5km

Version 2015

Spotsylvania, VA
 Measured by Vic Culp
 On June 10 and June 14, 2015

USATF Certificate VA15039RT

Effective 6/15/2015
 to 12/31/2025

Restrictions on Smith Station Road. Outbound runners can use entire road width until reaching Blackstone. After Blackstone and inbound, runners must stay to the right of the center line and medians. Cones on map help course marshals insure runners are on the correct side.

- START/FINISH** – 12' W of western stadium light pole on south side of track
- MILE 1** – 62'4" S of southern most crosshatch in median south of Blackstone
- TURNAROUND** – pole 2 just west of western end of grass median
- MILE 2** – 64'2" N of first electric pole just south of Pella on east side of Smith Station
- MILE 3** – 29'9" inside gate on fence to track

Cones should be placed on center line between Pole 4 and Turnaround.
